2026 PUBLIC PROGRAMS

Growship is your partner in Saudi Arabia for leadership and professional development, delivering TVTC-accredited programs and internationally recognized credentials, according to each program, in partnership with leading global learning institutions.

WHO WE ARE

Growship is a **Training and Talent Development Company** dedicated to creating practical, engaging, and impactful learning experiences that help professionals and organizations grow, lead, and adapt. Each program is accredited by TVTC and their relevant global awarding bodies, ensuring participants gain credentials that are valued in the Saudi job market and beyond.

OUR CORE VALUES

Goal Orientation

We begin with clarity. Every engagement is anchored in meaningful goals that drive focus, accountability, and measurable outcomes.

Resilience

We grow through challenges, adapt to change and move forward with clarity and strength. Resilience is how we lead with purpose.

Ownership

We take responsibility for our actions and their impact. We lead with integrity and follow through on our commitments to clients, teams and one another.

Well-being

We build healthy, high-performing cultures by respecting people's energy, balance and emotional resilience. Sustainable growth starts with care.

INTERNATIONAL PARTNERS

Backed by Leading Global Learning Institutions

We partner with leading global institutions to bring proven, internationally recognized learning frameworks to Saudi Arabia and deliver them with cultural awareness and local expertise to ensure relevance and practical impact.

THE CENTER FOR LEADERSHIP STUDIES
THE GLOBAL HOME OF SITUATIONAL LEADERSHIP®

CLS is the global home of the Situational Leadership® Model, one of the most successful and widely adopted leadership training models available. **More than 15 million managers and leaders have been trained in the methodology.** CLS helps organizations develop leaders who adapt effectively to each person and situation.

Program:
Situational Leadership®.

Arbinger Institute

The Arbinger Institute **helps individuals and organizations transform culture by shifting the most fundamental factor: mindset.** Its outward mindset approach moves people from self-focus to greater awareness of their impact on others and shared results, and has been adopted by leading organizations across government, military, and private sectors in more than 50 countries.

Program:
Outward Mindset.

INTERNATIONAL PARTNERS

ILM is the **UK's leading provider of leadership, coaching and management qualifications and training.** Part of City & Guilds, its qualifications are delivered internationally through a global network of training providers and approved centres.

Program:
Train the Trainer (TOT).

Founded in 1992, ROI Institute helps organizations evaluate the success and impact of programs, projects and initiatives, including financial return on investment, using the ROI Methodology®. **The Institute operates through a network in more than 70 countries.**

Program:
ROI Certification Program.
